"I believe that when food is made with integrity, passion, and ambition, it doesn't just nourishing people but it connects the world. Saky Foods was born from that belief."

Ms. KIM
CEO Saky Foods

OUR VISION

To become Vietnam's leading food company in export, product innovation and sustainable development.

OUR MISSION

Delivering quality foods for a better life and greater dreams.

SAKY FOODS

Saky Foods is the next generation of Sa Ky's fishermen, proudly inheriting the traditions of our homeland and carrying the mission to bring Vietnamese seafood to the world. We build strong partnerships with local fishing communities, ensuring a sustainable supply of raw materials and consistently high product quality. With a commitment to sustainable development, we strive to add value at every stage of the supply chain and to make Vietnamese seafood a symbol of pride and trust in international markets.

SAKY FOODS

Sustainable harvests, flourishing future

SAKY FOODS - A RELIABLE FOOD SUPPLIER IN ASIA AND GLOBALLY

Saky Foods is a trusted food supplier serving both Asian and global markets. We export to high-standard countries like the U.S., EU, Korea, and Japan, backed by certified production (HACCP, FDA...). Our customers include major supermarket chains and international partners who value our product quality, on-time delivery, and long-term commitment. From raw seafood to ready-to-eat items, Saky delivers safe, authentic Vietnamese food with consistency and care.

Saky Foods' products always meet international quality standards.

SAKY Foods applies international quality management systems such as ISO, HACCP, IFS, ASC, BRC, SGS, US FDA, and HALAL to ensure the highest standards of quality and food safety.
